CONFIDENTIAL**Invitation From Ky Nguyen Vang Consultant****JOB DESCRIPTION**

-----♦-----

Vị trí: Management Accountant**Note :****MÔ TẢ CÔNG VIỆC**

We are seeking a highly capable management accountant to optimize our financial management policies. You will be performing financial analysis, preparing financial forecasts, and advising senior management on strategic planning.

To ensure success as a management accountant, you should exhibit extensive knowledge of financial analysis and forecasting and experience in a similar environment. An outstanding management accountant will be someone whose financial accounting and business management expertise translates into sustained business growth.

Responsibilities:

- Gathering and interpreting information to evaluate the efficiency of financial procedures.
- Analyzing key financial data and advising senior management on strategic planning.
- Preparing financial reports and budgets, as well as controlling and forecasting income and expenditure.
- Protecting sensitive and confidential information.
- Keeping informed of regulatory requirements and best practices in management accounting.
- Preparing ad hoc reports

YÊU CẦU CÔNG VIỆC

- Bachelor's degree in accounting, finance, or similar (possible for a Bachelor's degree in French language complemented with a training, assumed by the Group, for Vietnamese and French accounting standards)
- Excellent written, verbal communication and presentation skills in French, and Vietnamese (English is a plus)
